PROVIDER BILLING RESOURCE GUIDE

The Assistance Fund (TAF) is an independent 501(c)(3) charitable patient assistance organization dedicated to providing financial assistance to patients with life-threatening, chronic, and rare diseases. TAF offers nearly 80 disease programs to help underinsured patients and their families with their copayments, coinsurance, deductibles, and other health-related expenses.

HOW DO I BILL THE ASSISTANCE FUND?

TAF contracts with AlphaScrip for pharmacy claims and Florida Health Administrators (FHA-TPA) for medical claims. You can view your patient's new Member Number and Group Number by using the TAF Member Card Lookup Tool located at: <https://tafcares.org/membercardlookup>.

Pharmacy Claims:

All pharmacy claims must be submitted to AlphaScrip. TAF's preferred billing method is electronic claims submission. AlphaScrip will issue appropriate claims processing information to support the cost of a patient's claim. If you cannot bill TAF electronically, submit your claim on a Universal Claim Form or CMS-1500 by fax or mail using the AlphaScrip contact information below.
